**TESTIMONIALS****THREE-DAY SCHOOL:**

"Every time I go back to the Dana Rader Golf School, it refreshes what I learned the time before—and I always learn something new."

- Bill Kite (7 schools over 10-year period)

"Wow! What else describes the improvement in my game. My handicap dropped from a 22 to a 14 and I have only been playing four years. I'll be back soon and my husband is coming with me. He's had enough of me scoring better than him."

- Denise Wareham

"Your school has given me a new perspective. I was unaware I didn't have the proper grip, swing, posture or equipment. I am practicing the NEW way of playing but the biggest improvement is in the new attitude you instilled in me to just do it right. We will spread the news about the school."

- Jim Hanvey

"You provided me with a solid foundation that I can build on and I am convinced this will allow me to enjoy many rounds in the years to come. I look forward to returning later this year for additional inspiration and instruction."

- Howard Levine

"There is no question my game will improve after the school. I could see results in the three days I was here."

- Richard Perr

"The learning environment was great. I especially liked the consistent and positive feedback."

- Mike Wilson

"The school was great. I can't think of anything to improve upon. I appreciated all of the personalized attention."

- Bill Wilson

"The individual attention I received was excellent as was the class groups of four students to each professional. There was a good mix of practice and playing."

- Marty Sik

"The school was a great experience; great instructors and the focus on the importance of proper fundamentals."

- Mike Harrison

"I live in Charlotte and had heard many positive things about the school. At this moment, I am so pleased with the experience that I will have to contact you later after the "high" subsides."

- Dwight Edman

"It was impressive that all instruction was consistent; different instructors didn't give different messages."

- Steven Stafstrom

"The two times I have played since the two-day short game school, I have broken 100. That's a 10 stroke improvement for me and I have shown consistency."

- Tom Seider

**CORPORATE PROGRAMS:**

"The Dana Rader Golf School really brought together people from across our company who don't usually have a chance to interact. The instructors work with each individual's strengths and weakness no matter their skill level. Your staff was a pleasure to work with. From the phone in setting up our program to the swing, it was a joy every step of the way!

- Stephen Fox, Director of National Account

GetSmart/LendingTree

"We were very pleased with our experience; it was first class. The attention to detail and the

professionalism of your staff made us feel that our event was the only thing that mattered. Everyone felt they learned something that would improve their game right away.”
